IMPORTANT INFORMATION

Please note: Pre-registration for breakout sessions is available online only. All breakouts are on a first-come, first-served basis with most popular workshops repeated. Attendees are encouraged to have a 'backup' chosen if their first choice is full. **Please register early and online as workshops may fill up quickly.** Registering by mail **will not** guarantee breakout sessions; **those registering by mail will choose their breakout sessions the morning of the conference regardless of how early registration form is received.**

Planning your day at "Limit Is the Sky!" is easy! Pick up a conference booklet in the registration area on the day of the conference. **There is no confirmation available for this conference.**

In-service hours earned at the conference may vary based on actual workshops attended. Attendees may earn up to five (5) in-service hours if present for the entire conference.
